Friday 16th November 2018

Dear Parents and Carers,

Christmas Card Competition:

'Tis that time of year... This morning, in assembly I introduced the annual Christmas Card Competition. The winner of the competition has their card printed and we use it for all the friends and associates of the school, they also receive 20 copies of their card and a £10 gift voucher... All year group winners also receive a prize. The closing date is Friday 30th November.

PTA Bingo:

A huge thank you to the PTA and all who helped and supported the Chocolate Bingo last Friday night. We managed to raise a staggering £354.72!

Thank you!

Next event - Movie Night

Friday 23rd November 3.10pm

You helped to raise...

£354.72

Thank you!

PTA Christmas Card Orders:

Could all orders for Christmas cards please be back in school by **Monday 19th November** please. Thank you.

Children in Need Day:

Friday 16th November 2018 – Again.... What an amazing day, thank you for your donations and support. I will put the total raised on the newsletter next week.

PE Kits:

Could I remind parents to ensure that their children have a PE kit in school please, during the winter months this also includes jogging bottoms and a spare sweatshirt/top. When you are buying new footwear for PE, trainers can be used on both the playground and the grass, so we would prefer children to have trainers rather than plimsolls please. Also on the theme of footwear, we are starting a football boot bank. Throughout the year we enter a couple of tournaments that require boots and some of our children don't have any. It certainly isn't worth buying a pair just for one game and we wouldn't dream of asking. However, we would like to start creating a bank of second hand boots that we can use as required. So please could you ask friends and family to send any spare/outgrown boots our way. Thank you.

E-safety update:

Facebook launches new live streaming app:

You will hopefully be aware of TikTok (previously Musically) which allows for short (15 second) live streaming videos and the concerns particularly regarding CSE. Facebook look to be getting in on the action with their own version called Lasso. The app has just come out in the US; historically that means it will be here in the UK very soon. The app has been reported as having NO privacy settings, so please be aware!
