Dear Parents and Carers,

Academy Status:

Well... tomorrow is the day both Frithville Primary School and New York Primary School become academies and join the Horncastle Education Trust along with Queen Elizabeth Grammar School and Banovallum Secondary School. As you can imagine there has been an awful lot of work going on behind the scenes, but I hope that there has been very little impact on the children. Our aim is to keep everything as it is. The only immediate physical change will be a slight alteration to the newsletter and headed paper. If you have any questions at all, please do not hesitate to contact me. Thank you for all your support throughout this process.

Junior E-safety Officers:

On Tuesday we took two children to Spilsby Primary School to learn how to be E-safety Ambassadors. The children discussed a range of topics that included: Staying safe online, passwords and how as ambassadors they can help others in the school community. The children will now be working closely with the school council, parents, staff and governors to promote e-safety across both schools and the Trust.

We did tremendously well again, coming third, only being beaten by the eventual winners. The boys were brilliant, Brandon had the catch of the tournament, jumping high to his left, blocking and catching at the second attempt!
