

Frithville Newsletter

Friday 8th March 2019

Did you know?

March.

March is named after Mars, the Roman god of war. March is the third month of the year in our modern day Gregorian calendar. It was originally the first month of the year in the Roman calendar and named Martius.

Dear Parents and Carers,

Tractors in Schools:

The Tractors into Schools campaign in 2016 and 2017 was a great success, reaching 6,000 school children, with 176 farmers involved with the project. Today's tractors are wonders of engineering and although some may have seen a tractor in a field or perhaps at the Lincolnshire Show, not many children will have been able to sit in one and find out how tractors help us produce the food we eat every day. All over Lincolnshire, farmers and tractor dealers have been talking to their local schools in readiness for Tractors into Schools week.

Alan and Simon Harrison came into school to talk with the children about farming's modern work-horses and how they help farmers on their farms, ploughing, sowing, cultivating, harvesting and hauling the grain, vegetables, potatoes, livestock feed and energy crops that are produced in Lincolnshire.

Maths, English, science, geography, food technology, design and art, food and farming can be used to help children in hands-on learning activities, bringing their subjects to life in a fun, but safe way. A wonderful morning... Thank you!

Swimming:

Swimming is now on ParentPay, we will also be able to invoice for a term at a time. Please could I remind parents that we are only able to provide swimming opportunities for all years due to your contributions. Swimming is part of the curriculum, but providing transport is not, we do need your support please.

PTA Film Evening:

Please come along to our Film event on Friday 22nd March, 3.15-5.30pm. Refreshments will be available.

E-safety:

EDITION 17-MARCH 2019

Science week:

Please support us by sending your child into school with an empty cereal box on Monday! It would help us a great deal.

This month the edition is taking a look at:

- Viral challenges.
- Parental advice from children.
- Vulnerable children.
- Miscommunication.
- YouTube repulsive comments.
- Popular apps.
