Did you know?

March.

March is named after Mars, the Roman god of war. March is the third month of the year in our modern day Gregorian calendar. It was originally the first month of the year in the Roman calendar and named Martius.

Dear Parents and Carers,

PTA Movie Night!

A huge thank you to the PTA committee for organising the wonderful “Sing-a-long Greatest Showman Movie Night” last Friday after school. It was a brilliant evening and a wonderful way to end the week. I do believe there will be more planned, so watch this space...

Parents’ Afternoon:

A huge thank you to all the parents’ who attended parent’s evening on Tuesday and to all those who attended their child’s IEP meetings this term. It really is a celebration of your child’s progress. Thank you also for completing the “Snapshot Questionnaires” and for all your support, it is very much appreciated.

Basketball:

Frithville and New York took a joint squad to the basketball development day at Thomas Middlecott Academy last Friday.

They will be taking part in a tournament later in the year. A huge thank you to the pupils from TMA who helped on the day.

E-safety:

Gaming and age ratings... Gaming and what can be appropriate for children is a huge area as different parents will have different thoughts and opinions. Equally, parents can feel pressurised by their child because 'everybody else is playing it'. To help parents make a decision we have been recommended “Common Sense Media” as it's a one-stop-shop for parents, but there's also a nice little app dedicated to the PEGI ratings that parents can use. The link below is link to a quick video review (link is a YouTube video). Just another option...

Easter Assembly:

Just a reminder that we’ll be having a special assembly next week. It will be an assembly of two halves... Celebrating all the choir’s hard work over the last term. They will be performing “The Greatest Showman, A Medley” and would love to see as many come to watch as possible.

BINGO...

Tonight... Doors open 6.45pm... Eyes down 7.00pm...
