**Did you know?**  
 June is the sixth month of the year in the Julian and Gregorian calendar and is 30 days long. According to one etymology, June is named after the Roman goddess Juno. It is considered good luck to get married in this month. The first month of Summer... Hmmm

Dear Parents and Carers,

### Sports day:

Success... Two dry days for Frithville and New York!

Even though we could only use the playground, we still had a fantastic morning of sport, thank you all for taking part, helping out and celebrating the achievements of our pupils on Monday morning. Competition, empathy, teamwork and sportsmanship... the children were fantastic and the weather kept fine for us as well. A huge thank you to the PTA for organising refreshments at half time. I am very, very proud to be the Headteacher of Frithville Primary School!

### End of Term Events:

School will finish early on Friday 19<sup>th</sup> July following the Year 6 Leavers' Assembly. School will close at 1.45pm and children will be dismissed from the Village Hall.

### IEP Meetings:

Thank you to all the parents who've replied to their IEP meeting invites. As always, they are so useful and the extra time we give to them, is so important. A huge thank you to all the staff, but especially Mrs Conley for preparing for the meetings in minute detail so that nothing is missed.

### New Reception:

We had our new reception children join us this week, all very excited about joining us in September... How quickly time flies!
