Did you know?

July - Julius Caesar's month

Julius Caesar reformed the Roman calendar (hence the Julian calendar) in 46 BC. In the process, he renamed this month after himself.

Dear Parents and Carers,

Book Fair:

The book fair sales total is £354.23!

A huge thank you to parents, carers, friends and the PTA for supporting the fair so generously and enabling us to reach (and surpass) the total required to claim our reward books. Some of the books will go into classrooms and some will go into the library. We must also thank Mrs Tempest for organising the event and the rest of the staff for helping move furniture, organise her classroom and display each night.

Thank you!

Real Life Writing Experience:

Thank you to Mr and Mrs Scott for giving up their time and bringing Olivia's pony, Colin, into school, demonstrating how to groom and look after him, so that the children could have a real life experience that they can use to support their writing. The children will be writing instructional and then explanatory texts based upon what they've learnt.

PTA:

Amazing! Our wonderful PTA has raised a fantastic £1500 with their sponsored read allowing us to purchase more books for the school. They have worked tremendously hard obtaining pledges for local businesses and then supporting with a very generous donation themselves... Thank you!

E-safety:

Actually... the internet is an amazing resource and to be honest we would be completely lost without it. So after all the warnings and red flags it is wonderful to celebrate and advertise something, balancing the negativity with a good tech story. I love Google Earth, it's an amazing tool, excellent for planning trips and holidays. Recently Google earth has been updated with new educational tours and lesson plans. Called 'Voyager', there are guided tours of places from scientists, non-profit organisations and others. Have a look at the link for more information.

Parents Evening:

Just a reminder please that it is parents evening on Tuesday 16th July. The appointment letters are attached to the newsletter, please could you return as soon as possible indicating the time slot required. Thank you.
