## Did you know?

### October - The eighth month?

October is the tenth month of the year in the Julian and Gregorian Calendars, however October means "eighth month", as it was originally the eighth month on the ancient Roman calendar.

## Dear Parents and Carers,

### Tag Rugby:

On Wednesday, we took a combined Frithville and New York team to Boston RFU, to take part in the Small Schools Tag Rugby Tournament. Considering that the children had not played or trained together until then, they were brilliant! Winning two and losing two of the games played. The team ended up coming third, winning the bronze medal.

### A request please...

One of the issues we had on Wednesday was the lack of football boots. We are creating a loan bank of boots, so if you have any unused boots that your children have grown out of, cluttering up cupboards, then please bring them into school. We will be extremely grateful. We would like sizes 2-6 please. Thank you.

### Donation... £5000.00

We have received an amazing donation of £5000.00! I am asking the children, staff and governors for their thoughts and I would also like your suggestions as parents, on how we could spend it please. We are looking at something that will have a fantastic impact on the lives of our children whilst they are at school, something of a legacy. Ideas so far include: Replacing the fence in the playground with a brick wall, that the children can play ball games against; refurbishing the girls and boys toilets... Please use the slip below, or email me with your ideas please. Thank you.

My idea on how to spend the £5000.00 donation is...

The impact for the children would be...
