Friday 6<sup>th</sup> December 2019

### Did you know?

#### December – The tenth month?

December marks the end of the year and the coming of winter. December is formed from the Latin root decem - which means ten, but December is our twelfth month. Why?

Dear Parents and Carers,

## PTA Bingo! What a night, £436.06 raised!

Thank you to everyone for supporting us last Fright night and to all who donated to the non-uniform day. Absolutely fantastic! Thank you from all the pupils and staff of Frithville Primary School.

#### Headteacher's Award

- Samuel Rogers-King
- Elsie Hammond
- William Archer
- Tyler Congreve
- Amelia Hood
- Isobel Cook
- Sophie Wood
- Harriet Cooper
- Alanna Crossley
- Megan Clark
- Olivia Scott
- Brandon Davison
- Thomas Marsh-Randall

- For being helpful in class

#### Girls' Indoor Cricket:

On Tuesday after school we took two girls' 6-a-side cricket teams to The Peter Paine Sports Hall to take part an indoor cricket tournament, where everyone bowled and everyone batted. We did tremendously well again, coming third, only being beaten by the eventual winners, by 7 runs. The girls were brilliant.

#### Table Tennis:

What a week! On Wednesday we took two teams to the table tennis tournament at Thomas Middlecott Academy. For the second time this week we were able to borrow a minibus from the Horncastle Education Trust, allowing us to take more children to the event. What a night it was two gold and two bronze medals!

**Emily Pye – Girl's Gold, Seren Evens – Girl's Bronze, Alex Barker – Boys Gold, Riley Edwards – Boys Bronze.**

## HOUSE WINNERS: Hurricanes 869 Points

#### Shining Stars:

- Georgia M-R
- Laurny Burks

- For fantastic work in English lessons this term
- For focus and effort in maths and English lessons

- Monday 20<sup>th</sup> April 2020
- Friday 8<sup>th</sup> May 2020

**December – The tenth month continued...** The ancient Roman calendar only had ten months in the year, beginning with the month of March. January and February were originally added, to the end of the year, after December. However, by the time the

Julian calendar became established in 45 B.C, January and February appeared at the beginning of the year, which bumped all of the original months (and their originally assigned names) back by two. Whatever did the Romans do for us?

### Christmas Card Competition:

We have a winner... Olivia Fulcher Yr 4.
