Volume 18

Dear Parents and Carers:

Welcome back!

I hope you have all had a wonderful summer during these interesting and eventful times. Both Frithville and New York Primary Schools opened for Reception and Year 3 Pupils yesterday and we are really looking forward to welcoming all students into school on Monday.

We have undertaken significant planning and preparation to ensure that school will operate as safely and smoothly as possible. As you can imagine there is a lot of information to share with parents and pupils, which is contained within our Welcome Back to School Plan that I emailed to parents last week. We hope that the plan answers many of the questions that parents and pupils may have. Please email or ring either school with any further questions relating to our arrangements.

Our aim is to keep all Staff, Children and Parents/Carers safe at all times when accessing School.

Please be aware that we must All abide by government guidelines, these could change at any time and we will endeavour to keep you informed, via text and email.

Just a few more key points:

- I will be office based at Frithville Monday, Wednesday and Friday.
- I will be office based at New York Tuesday and Thursday.
- Separate school newsletters will start Friday 11th September.
- We will have presentation assemblies at the usual time each Friday, starting next week.
 - These will take place via Zoom from my office and each classroom.
 - As soon as we have received all the child update forms, we will be able to organise parental invites as well.
- Pupil update forms will be sent out to all families on Monday 7th September. Please pay particular attention to allergies – hand sanitiser etc.
- Online safety – Please be vigilant!

This week we have been... Busy!
