PARTNERSHIP

Dear Parents and Carers, Thank you...

Over the last few weeks you have been brilliant in your support for the school and everything we are trying to achieve for ourselves and for others less fortunate. I never get tired of saying this, but I do have the best job in the world and I am extremely proud and privileged to be the headteacher of two such wonderful schools.

Harvest...

We had an amazing response again this year, I had a boot full of food that I delivered to Centerpoint Outreach in Boston and I have copied a lovely thank you letter onto the newsletter below.

Poppy Appeal...

The money we raised was collected yesterday, so we should have the final amount in time for next week's newsletter. However, we did manage to raise an extra £47.00 across both schools from the sale of the crosses alone. A huge thank you to Mr Tighe, a parent from New York for making them. I've already placed a bigger order for next year... The watermark behind is the wreath made by Class 2.

Roald Dahl Day:

A huge thank you! We raised £42.00 for his charity!

Children in Need... Today...

We have raised a staggering £84.68 with our non-uniform day!

Christmas Card Competition;

The Christmas Card Competition is open this week... Closing date is Friday 20th November

E-safety:

New Game - Among Us...

A hugely popular new game is now doing the rounds. Called "*Among Us*" it has a PEGI rating of 7 and, as with many new games, it has multi-player collaborative features built-in with up to 10 players able to play together, as well as public and private gaming modes. It's worth being aware of just so that we know what our children are talking about. Click [HERE](#) for an excellent write-up from Internet Matters.

Online safety tips for children...

Internet Matters have put together a guide that you can download (PDF) containing some online safety tips. The guide and tips are quite simple, but that's a good thing as the information isn't overwhelming. You can download the guide [HERE](#).

For families: Online Safety At Home packs...

Our [#OnlineSafetyAtHome packs](#) are still available for you to download to use at home. These include fun activities, conversation starters and practical tips.

Reading at home: Our continued focus of the newsletter is how we assess the seven areas of reading, so that you will be able to support your children even more at home.

Assessment Focus 3:

To deduce, infer or interpret information, events or ideas from texts, read between the lines:-

- Uses knowledge of a story so far to make predictions about what will happen next
- Connects information together to draw out implied meanings
- Distinguishes between more/ less important items of information
- Uses clues from what characters do and say to explain their motives

Dear Mr Bargh

On behalf of everyone at Centrepoint Outreach I am writing to thank you for the generous donation of harvest food from *Frithville Primary School*. Please pass on our thanks to everyone who contributed.

Although we have not been able to hold our usual drop in sessions due to social distancing requirements, we have continued to provide food parcels to people who are either referred to us by agencies such as Children's Services or who refer themselves, many of whom are struggling to survive on low incomes. Since the start of the Covid-19 pandemic we have provided over 350 food parcels in response to such referrals.

At the start of lockdown 18 rough sleepers were accommodated on a temporary basis in a local hotel and since that time we have provided over 2500 daily breakfasts to the individuals remaining in the hotel. In addition, since May we have also provided over 300 food parcels for the residents in the hotel on a Sunday when there is no other food provision.

The food help we have been providing has substantially depleted our stocks and we have, at times, had to resort to buying food, something we do not usually have to do. We are therefore so grateful to you for your support this harvest which will help to keep up with demand.

Yours sincerely,

Astri Edrvaic
