LINCOLNSHIRE
LEARNING
PARTNERSHIP

Dear Parents and Carers,

Welcome back:

Summer 2021... and what a summer we can look forward to! We have so many things in the pipeline to organise if the Pandemic Roadmap to Recovery all goes to plan. We desperately want to return to some sort of normality, swimming, sports days, school trips, face to face parents evenings and sports fixtures... All the really good stuff we prepare above and beyond the classroom. We have provisional dates and we are ready to go as soon as we are able.

This term's value is "Bravery". In assembly I introduced the children to Gertrude Margaret Lowthian Bell, CBE (14 July 1868 – 12 July 1926). She was an English writer, traveller, political officer, administrator, and archaeologist[2] who explored, mapped, and became highly influential to British imperial policy-making due to her knowledge and contacts, built up through extensive travels in Syria-Palestine, Mesopotamia, Asia Minor, and Arabia.[3] Along with T. E. Lawrence. A very brave and determined lady...

Class 1:

Class One will be learning about plants in science, this will include planting seeds and studying them over time and comparing different types of plants. Geography work will focus on life in an African village. English work will focus on traditional African tales and writing instructions.

Class 2:

This half-term, Class 2 will be learning various aspects of spelling, grammar and punctuation and applying them to fiction and non-fiction writing. In science, they will be finishing their study of rocks and soils and moving on to look at forces. History will be about the Romans while RE will involve concluding learning about creation stories. In art, the children's work will be based on mosaics.

Uniform:

The children look fantastic back in their school uniforms, but please... School shoes, not trainers. Please remember that we have PE on a Monday and Tuesday, we do need a change of clothes, particularly as the weather becomes warmer. Thank you.

Headteacher Awards:

Isobel Cook	For doing science research at home
Kaden Johnson	For making a good effort with assessment tests
Tom Sirrell	For making a good effort with assessment tests
Tom Sirrell	For good observations in science
Chantelle Kingswood	For sharing knowledge in science

HOUSE WINNERS

Lancasters 235

The Critters are back...

Only a few weeks back... I sincerely apologise to all parents who rigorously checked their children's hair for head lice during lockdown. It is always advisable for children with long hair to have it tied back. Please check your children's hair for headlice.

What a wonderful week at Frithville!

It's absolutely brilliant to be back!
